Barriers to participation

We want to know how you are encouraging participation by all parts of the community.
By barrier we mean things that stop people joining in. For example, costs, social or cultural safety, physical access, location, lack of public transport, lack of facilities etc.

Does your project reduce barriers to participation. If yes, how, and for whom? *

Outcomes

Please tell us about the outcomes you expect from your activity. Outcomes are the changes you expect to occur for the people who take part in your activity or may indirectly participate.

When writing your Outcomes, think about how will it affect their:

- Skills and/or knowledge
- Confidence, aspiration, motivation
- Actions, behaviours or attitudes
- Social, financial, environmental, physical conditions

Write at least one outcome you expect from this project, and then align them with the outcomes we (Council) want to know about.

Your outcomes	Which of our outcomes will your project align to?	How does your intended outcome link to our outcomes?
Please be brief. One per row. Must be no more than 150 words.	Which of our outcomes will your project contribute to? If multiple apply pick the most relevant. No more than 1 choice may be selected.	Must be no more than 150 words.

Measurement and Evaluation

This section is about how you will measure your project against the Council outcomes you have chosen above.

You must choose at least one measurement (one for each Outcome you've chosen) but you can choose more if you want.

If you want two measurements under one Outcome, you will need to choose one per line.

Depending what you choose to measure across the length of your grant, you may need to ask your participants some questions. It is up to you how you collect the information but if your application is successful, we will provide you with survey templates.

You will be asked about these again in your End of Funding report.

Measurement	Target	Notes
Which of our metrics (if any) will you track? You may be required to report on your progress. Add more rows if you want to list additional metrics. No more than 1 choice may be selected.	Identify a target for the metric you have chosen - an estimated total for your project. Must be a number.	Must be no more than 150 words.
